COMMUNITY ASSOCIATION

Celebrates its

50th

1957-2007

This book is dedicated to the hundreds of volunteers, past and present, who have helped, and continue to help, make the Eastmorland neighborhood a great place to live.

Published September 2007

This publication was produced and published by the

EASTMORLAND COMMUNITY ASSOCIATION

To celebrate and commemorate its

50th Anniversary

1957-2007

Many thanks to the individuals who contributed their time, information and efforts to make this publication a success. We are also very grateful for the support we received from all of our advertisers.

The President's Message

Greetings Neighbors:

This year Eastmorland celebrates its 50th birthday! Over the past 50 years, with the hard work of its good neighbors, who volunteered their valuable time, energy and ideas, we have accomplished many goals that have benefited our community. In researching and compiling this publication, we have tried to bring you as much information about the past, present and future goals as time, volunteers and money allowed. Some neighbors loaned us old photos and newspaper clippings, and told stories about their past.

The following pages should give you an idea of what transpired in our community over the past 50 years and how our neighbors are connected. As the information was gathered, we realized that this publication was growing beyond the size we could afford to have printed, and so, a decision was made of what could be included and what could not. Our apologies if certain items that are important to you were not included.

A big "thank you" to all who helped with the information for the 50th commemorative publication — especially my husband, Patrick! We tried very hard to keep information as accurate as possible. Without the help of those involved, it couldn't have happened!

Patrick and I moved into this neighborhood in 1962, with our toddler son, David. After 14 years, we moved from Paus to Dawes Street, raised our three children, and I operated a daycare out of my home for almost 40 years. This neighborhood is very important to us, the people, the beauty of it... this is our home.

It has been very exciting in the past couple of years for things around here to start moving! I am sure that there are other ideas in the neighborhood that folks will decide are important and then come forward and help with. Something I said 25 years ago when we were celebrating our 25th anniversary as a neighborhood is true today. "Our growth depends upon the active involvement of its members. A joint effort is needed, linking directors, block captains, committee people, and each member into a positive force called Eastmorland Community Association that moves in the direction WE want it to go."

Below is a copy of an article that ran in The Capital Times, Saturday, August 15, 1954. This dedication marked our neighborhood's beginning. On the opposite page is an ad that ran in the Wisconsin State Journal on the same day. The community association would form a few years later in 1957. We've come a long way since then.

City's Newest Housing Project Dedicated

Eastmorland Area to Provide for 314 Homes

A development which will someday house more than a thousand residents of a growing Madison was dedicated Saturday by city officials and builders in a simple ceremony.

Eastmorland, which will be built in three sections, will provide 314 homes in a 75-acre area developed by the A. A. Elkind Developing Co.

Mayor George Forster cut a ribbon across Schenk st. at Tulane ave., the entrance to Eastmorland a djoining the new Schenk school, to officially open the development.

After the ceremony, the public was invited to visit the nearly-completed section of 80 homes and its model houses, while a sound truck gave forth with music.

The public will be invited to visit the project again today, the developers said. Eastmorland is three blocks from Olbrich park on the far East side.

Mayor Forster called the development "one of the finest in the city" and said it is a "eredit to the East side and the whole city."

A. C. Steinhauer, president of the Anchor Savings and Loan Assn., lauded Elkind for his "foresight and fortitude" to turn the former farmland into an area of "complete homes—complete with streets, gutters, sidewalks, and sewer and water."

City Plan Director Walter

City Plan Director Walter Johnson promised that the city will provide the development with "all of the services and public developments they need."

Others who spoke at the ceremonies before a handful of spectators include Elmer Radke, chief architect for Wisconsin for the Federal Housing Authority, L. L. Lunenschloss, president of the Security State bank, and Ray Sennett, vice-president of the Security bank and master of ceremonies for the dedication program.

The development is the third Elkind residential project in madison, the area is bounded by Milwaukeest., Tulane ave., Schenk st., Richard st., the Schenk school, and the Tilton Midlands development. The area is the former Arthur Gay farm.

Homes in the area, built for sale to private owners, will be three-bedroom, ranch style.

Eastmorland, Madison's newest residential development, was officially opened Saturday with the snip of a blue ribbon by Mayor George Forster.

Shown above arranging the ceremony are D. B. Sanford, 1102 Mohican pass, vice-president of the firm which made the development; Mayor

Forster; A. C. Steinhauer, 3910 Council crest, president of the Anchor Savings and Loan Assn., a major financier of the project; Ray Sennett, 1622 Yahara pl., master of ceremonies at the opening; and A. A. Elkind, 1106 Mohican pass, president of the developing firm.

-State Journal Staff Photo

First Builder in Eastmorland

When Eldon Hoel heard that the A.A. Elkind Company was planning a residential development on the former Arthur Gay farm in Madison (which today

Audrey and Eldon Hoel

is part of the Eastmorland area bounded by Milwaukee Street, Tulane Avenue, Schenk Street, Richard Street, the Schenk School and the Tilton Midland's development) he didn't waste any time going to see Elkind and negotiate a deal to purchase a lot. His lot is located at 3638 Tulane Avenue. He was the first one in the new "Eastmorland" development to start building a home here and has lived in that same home for 52 years. After serving in the U.S. Navy in the South Pacific, he became a Madison city clerk assistant

for seven years and then was elected city clerk and held that position for 25 years before retiring.

A HISTORY OF EASTMORLAND

The earliest evidence of habitation in the area was of Indian tribes that used the marshy area around Starkweather Creek on Sinking Lake (Lake Monona) to hunt and fish. They never set up a permanent campsite, but burial mounds were found on the hill atop Lakeside Street opposite Olbrich Gardens.

The earliest white people in this area passed through on a wagon trail now called Milwaukee Street. This trail led up to Green Bay. A favorite stop on the route was at a stagecoach inn. It stands today as a private residence on the original site, now called the Stone House, at 5301 Milwaukee Street.

The first permanent white settler in this area was Charles Walker who got a land patent from the U.S. government on August 10, 1837. He and his wife farmed this area until February 1, 1850. Then John Tonnale and his wife took over the farm. The land changed hands many times after that from John Hughes, to Reverend Bishop, to Chauncey Abbott, to Joel Rice. The reasons for the rapid changeover are not clear. Was it hard farming this land, did the gold rush lure them, or was land more attractive elsewhere?

The property was given to Rice's four children. One of them, a daughter, married Theodore Gay and from then on the land passed down from generation to generation in the Gay family. A house still owned by them is at 14 Dempsey Road. This land included all the area from Milwaukee Street to Olbrich Park. It remained in the Gay family until 1953.

Congratulations to the Eastmorland Community Association on its 50th Anniversary!

From your neighbors at the Gardens!

3330 ATWOOD AVENUE • MADISON, WI 53704 608-246-4550 • WWW.OLBRICH.ORG It was in the year 1953 that Mr. Elkind of Elkind Developing Co. purchased the land from the Gay family for \$75,000, with the exception of one parcel from Schenk Street to Walter Street and Richard Street to Tulane. This was set aside for the City of Madison to build a school.

Schenk School and Schenk Street were named after Herbert C. Schenk who was born in Wisconsin in 1880 and moved to Madison in 1893. He attended Madison Schools and later served Madison on the Board of Education, Wisconsin State Assembly and the City Parks Commission.

Perhaps the biggest housing project at that time in Madison by one developer, 314 houses, was about to begin.

A construction crew moved in after completing the Washington Heights area construction. It is hard to imagine now — woods, swamps, an undeveloped raw area waiting for the bulldozers and workers to begin . . .

A major storage area was set up between Richard Street, Sussex Lane and Schenk Street at a central location to the project, called the Eastmorland Site. The building began. On the corner of Schenk and Tulane Avenue, four houses went up with an "Eastmorland" sign (which is no longer there). Another four houses went up on Richard Street between Schenk Street and Cumberland Lane. These houses served as models.

If you want an idea of what it was like to be moving into this "neighborhood" 50 years ago, talk to some of the original construction crew members, like "Pete" Peterson . . . "mud up to your boot tops; boards running up to the houses; mailboxes out at Walter Street; stuck vehicles; cows still roaming around; mosquitoes" . . . But somehow, someway, the work progressed to Bradford Lane and Cumberland Lane from Richard Street to Dawes Street, down to Milwaukee Street.

Did I mention mosquitoes? Yes, those pesky things had inhabited the area long before humans decided it was the place to settle. Remember the "swampy" area? The mosquitoes became so bad that several people in this community decided something had to be done. They decided to organize and attack the problem. This was the beginning of Eastmorland Community Association

On March 19, 1957, a meeting attended by about 60 persons was held at Herbert Schenk School for the purpose of starting a community association in Eastmorland. The meeting was brought to order by Irven Napstad, who explained our purpose. At that time, a steering committee was appointed by the group to do the necessary work in preparing the bylaws for such an organization. At the same time, the boundaries of the Eastmorland area were determined as Tulane, Bradford, Milwaukee and Buckingham (the original Eastmorland Plat). This area was then divided into four districts. Also, the mosquito issue was addressed. The following persons acted as the steering committee to draft the bylaws: Irven Napstad, Mrs. Al Schwenn, Joseph Berg, Dick Mayne, Walt Hunter, Mrs. Richard Cnare, Al Romaine, Mrs. James Horsfall, Dana Danbom, Mrs. Duane Ballentine and James Pfefferle.

On May 1, 1957, an organizational meeting was held at Herbert

Schenk School to approve the bylaws and elect the directors for the first year. At that time, the initiation membership fee for residents of \$2.00 per family, and \$1.00 per family thereafter, was established.

The following persons were elected as the Board of Directors: Irven Napstad, Mrs. Al Schwenn, Joseph Berg, James Moen, Dana Danbom, Howard Kannenberg, Bill Pratt and James Pfefferle, incorporator.

After the meeting, the Board of Directors immediately elected officers consisting of: Irven Napstad, President; Joseph Berg, Vice President; Dana Danbom, Treasurer; and Mrs. Al Schwenn, Secretary.

Thereafter, the Board of Directors met at least once a month in the various homes to discuss the new and old business and plan our future events.

In 1978, ECA voted to expand its boundaries to include all of the 15th Aldermanic District. Reapportionment in 1980 had the city extending the 15th District boundaries drastically. So in 1982, the present boundaries voted in were the area bounded by Milwaukee Street, Highway 51, Cottage Grove Road, Atwood Avenue and Starkweather Creek.

In the past 50 years, ECA has become the adhesive binding of neighbor-to-neighbor in friendship and help. A small town within a city. The monthly "Hi! Neighbor" newsletter has kept people informed of immediate events these past 50 years. Santa visits have spread from just for the children to oldsters who are young-at-heart. The annual picnic, bike parade and Directors' dinner got people together. We have had (and in some cases still do have) dances, teen events, parties, bake sales, political forums, parent-child banquets, salad luncheons and block par-

ties. More recent events include raking for neighbors, park cleanings and potlucks.

ECA has been the main parent backbone of the school in the community. It was the moving force behind the building of the Schenk School playground. ECA has asked for and received: street lights, stop signs and yield signs. Traffic control has become a major concern in the last years. ECA Directors represent us, along with our Alder, in making sure businesses moving into the area are compatible with our needs. The Stoughton Road overpass and the development of Eastmorland Park with the bike paths and the shelter took over where mosquito control ended. The opening of the Regas Road entrance to the Madison Post Office was a pleasing accomplishment, especially around Christmas and April 15. Many of us can still remember the congestion in that area before Regas Road was opened to traffic.

ECA, in 1981, expanded and grew within its boundaries. It went from representing one-fifth of this newly enlarged area to representing more than one-third of the families living here. Now the neighborhood is no longer divided into geographical areas with each area having representation on the ECA Board. The ECA boundaries are Milwaukee St., Hwy. 51, Cottage Grove Road, Atwood Ave., and Starkweather Creek. Things used to be centered around the original Eastmorland Platt ON-LY. This is not so anymore. In 1982, the ECA directors decided that the WHOLE neighborhood needed to be aware of what was happening, and the "Hi! Neighbor" newsletter was and still is delivered to every household, about 1,600 total. To save on costs, it was changed to a quarterly publication, rather than monthly or bi-monthly.

Eastmorland Community Association has been and still is a group of people caring for people. So THANK YOU Directors, Committee Persons, Block Captains, and all of you who have been faithful these past 50 years, but especially YOU WHO ARE NOW MEMBERS. This organization would have died long ago if it were not for people who are concerned about each other and the place they live.

DID YOU KNOW? Madison once had a streetcar system. Starting with mule-drawn cars in 1884, which were upgraded and electrified in 1889, the streetcars ran until February 12, 1935. On that day, a severe ice storm downed many of the overhead wires, hastening the already-planned conversion to buses.

BOB NARF REMEMBERS the Olbrich area by the ball diamonds on Atwood Avenue behind Hargrove used to be a city dump. "I, as a child, used to play there often. Madison Kipp Corporation, among others, dumped items there. I wonder if it has been checked for gas seepage? Across the river, the flower

www.burritodrive.com

garden area was a swamp up to Sugar Avenue. A creek wound its way through there. We used to skate there in the winter. Tramps also used this area for camping. My brother invited one of them home for a Sunday meal once. Starkweather Creek was a fabulous fishing area. Under the railroad crossing we could see the Blue Gills as they came to bite our hooks. The edge of Lake Monona, at that time, came much closer to Atwood Avenue and the dredging through the years has made the park much larger, filling the lake. The Olbrich hill contained a ski jump, and a toboggan slide was added later. Hudson Park beach contained a swimmers' pier about 150 feet long, a high dive out further, a 29-foot pier halfway out and a lifeguard stand out near the high dive. Needless to say, the water quality was much better, although 'dog days' in August, even then, made the lake dirty.

"Lake Monona was a fisherman's paradise. I used to row a boat out about 300 yards from shore, directly off of the Eastside Businessmen's Association building, and in no time have my limit of Blue Gills, Perch, etc. It took about half an hour to achieve that usually. In the early evening, a limit of Walleyes could easily be caught.

"The field next to Roysters was a small pond and water from that was used once to fight a fire at a farm house near there."

SEVERSIN'S SERVICE CENTER, as it is known today, was established in 1982. Its owner, Mike Seversin, a 1977 graduate of Madison East High School, began his career working with his dad on Northport Drive after graduating from MATC. The current Seversin station started out as a Union 76, replacing the old 1957 Skelly station on the corner of Fair Oaks and Milwaukee Street. In the beginning, Seversin's was an auto repair shop with just two employees. In 1994, Union 76 moved out of the state. Mike subsequently rebuilt his station. The new Citgo convenience store, with full service auto repair, opened in May 1996.

EASTMORLAND PIONEERS, DUANE AND MARLENE BALLENTINE have lived on Dawes Street since their house was completed in April of 1956. Cows grazed on the other side of Dawes and they could see down to Buckingham as they watched homebuilders do grading!

The Ballentines were important in the Eastmorland Community Association's development, becoming involved at ECA's founding in 1957 and continuing until 1966. The neighborhood association was governed by an eight-person steering committee, each member representing a geographic area of the neighborhood.

EASTMORLAND PIONEER MRS. HUBBARD, of Schenk Street, has been an Eastmorland resident since the early days of the neighborhood. Orland (Hub) and Martha bought their home in February of 1954 and moved in on July 17 of that same year. They picked out their home after looking at presentation homes or models, of which there were a total of eight — four on Richard, two on Schenk and two on the corner of Schenk and Richard Street. You could choose different patterns in the kitchen, such as counter tops, light fixtures, linoleum and paint. In the bathroom you could also choose paint colors, plastic tiles, linoleum and light fixtures.

There were no sidewalks when they moved in; those came the following year. Also there was no grass, just top soil in the yard. The driveways were gravel up to the edge of the house. They got to pick the outside colors of their home and the trim around the windows. The street had the tough coat on, but curbs and gutters were already in. At the time you had to walk over to

Walter Street to get your mail.

Some of Mrs. Hubbard's early memories include the East Side Business Association raising money to give to the city to plant trees on the terrace. She also recalls Schenk School's football team, and their uniforms that were grey, red and white and the band playing at the games in the 1960s. The band practiced marching up and down the streets. These activities at the school were dropped due to budget cuts.

EASTMORLAND PIONEER MRS. REDDELL has been a resident of Lansing Plat since the early days of the neighborhood. Vernon and Earlis and their two children bought their home in May of 1951. It was the model home for the subdivision and was located on the corner of Walter and Richard.

Since Richard Street ended at their rear lot line, their address began as Walter Street and when Richard Street was built through to Schenk the address changed to a Richard Street number. The rear yard looked out over a pasture full of cows who often broke down the fence and visited the yards of surrounding homes.

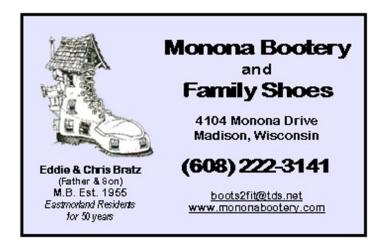

Eventually more homes were added to the area and Richard Street went through to Schenk. The Madison Bus Company finally extended service along Walter Street. Bowman Dairy delivered milk and the Omar man delivered bread, cakes and pies. There was a grocery bus that used to stop throughout the neighborhood and residents often walked to Sunny Knoll Grocery on Milwaukee Street for needed items.

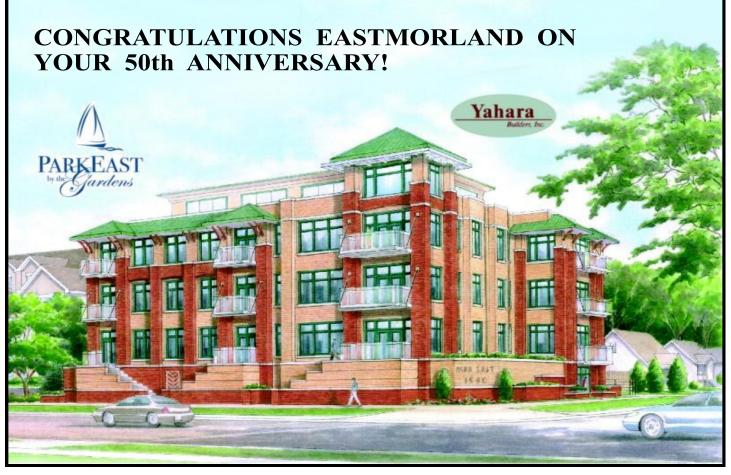

BILL AND PAULINE GRATZ moved into 3725 Dawes Street in February 1957. Bill is a Madison native who graduated from East High School and served with the 1st Marine Division in Korea. (A son and grandson later followed Bill's exam-

ple and joined the Marines.) Pauline (Vosberg) Gratz was raised on a farm near Cuba City, Wisconsin, and came to Madison to work and attend school.

Bill and Pauline bought the last house in Eastmorland. 3715 Dawes was the sales office for Elkind and Company, which sold the homes. There were no trees, no shrubs, lawn topsoil, etc. There was a lot of rock, clay, sand and boulders. The wind constantly blew sand and dirt every morning. They even found burned garbage in their back yard. They cleaned it up, but the next morning, there was more burned garbage! Finally, the neighbors realized someone lived there and apologized for the burning.

During their 50 years in Eastmorland, the Gratzes have been active in ECA. Bill served as ECA's Vice-President. He and Pauline turned out the Eastmorland News. They believe East-

morland is a very good place to raise a family.

They recall a mosquito fogger that would come thorough the area. Children followed behind until their parents caught them and brought them into the house, shutting windows and doors. Bill and Pauline said it had an odor, but it was great for mosquito control!

Some other memories include dances at ESBMA and a bicycle parade for the children. There was the Eastmorland picnic with everyone participating. They also have good memories of the old McKay Nursery (now Eastmorland Park and Woodman's Grocery).

The Gratzes also remember that (in the days before concrete ditches) ditches overflowed when the park flooded after heavy rainstorms. Children would get into anything that floated in the

CONGRATULATIONS EASTMORLAND ON YOUR 50TH!

— Larry Palm District 15 Alder, 692-8416 park to ride. Eventually residents spruced up the park with trees, bushes and flowering shrubs.

NORBERT AND JOYCE PLEWKE moved into their home at 133 Silver Road in November 1955. Bert is a Madison native who graduated from Central High. Joyce moved here from Lancaster in 1948. Bert was drafted in 1951. A week after marriage he left for the service. Joyce joined him later, and they lived in Georgia, Kansas and Maryland. In 1952, he left for Korea and served in the U.S. Army. He left the service in 1953.

When Bert and Joyce moved into their house, it was not completed. No front or side entrance steps or stoops, no landscaping. Things were so undeveloped, there were still cornfields nearby! They were blessed with two children. Today, they have four grandchildren.

After heavy rainfalls, the ditch across the street overflowed, and flooded the street and intersection. (This was before a concrete ditch was installed.) When this happened, children played in boats, but something else (far less appealing) happened as well! Rats, muskrats and all kinds of rodents came up from the ditch! Flooding at the end of Richard Street between Buckingham and Silver Road also caused flooding in many basements.

Bert and Joyce also remember their young children playing across the street on Silver Road where the park is now. The weeds were so high that for a while, they couldn't find their children!

The nearest shopping center was the C&P at the corner of Atwood and Cottage Grove Road. It included a grocery store, hardware store and a garden center. The first church in the area was St. Dennis, with services in a Quonset hut.

802 Atlas Ave. Corner of Hwy 51 & Cottage Grove Rd.

In the Heart of Your Neighborhood!

We are proud to be your locally-owned and operated eastside family restaurant. **Mexicali Rose** serves Mexican & American fare in a fun, tropical atmosphere with live music Wednesday thru Saturday.

- Friday Fish Fry
- Saturday Prime Rib
- Carryout Available
- Full Kids Menu
- Plasma TV's for Sports EventsHappy Hour Specials

Enjoy your Private Party the Mexicali Rose way!

Our newly-designed Ocean Terrace Room accommodates up to 80 people in a truly unique beach setting. Enjoy a Mexican theme party or customize a menu to include American favorites, such as prime rib. Whether it's your anniversary, rehearsal dinner, or any occasion, **Mexicali Rose** has private rooms for parties of every size. Call us today at **222-2700**.

ROBERT AND NORMA NARF are longtime Eastmorland residents, having moved into their home at 3753 Sargent Street in 1955. They were the home's second owner. Back then, real estate taxes were \$219 and were hard to bear at that time. The Narfs raised three nice children. They are all grown now.

Around the time the Narfs moved into the neighborhood, the Olbrich swimming beach opened and was often crowded, especially on warm days. Starkweather Creek was a mess then, just as it is today. The C&P grocery store was serving most of the area residents in those days. Going next door to Rennebohm's for a piece of pie was a real treat. The Hungry Hungry Drive-In with their curly fries was a big draw. Good times for all were the neighbors getting together for cards, horseshoes, basketball, picnics, etc.

The Narfs had many neighbors through the years and still stay in touch with some of those who have moved. Without exception they all remembered the good times. The Narfs consider Eastmorland to be a wonderful area to be living, and have done their best to keep it that way.

KATHY SOUKUP REMEMBERS, 166 Harding Street. "It became the first home for my parents, brother and myself in 1948.

"I think I was about 6 years old when we moved there. My brother was newborn. Our home was the last one on the street, and construction was beginning in the next block.

"I remember when a water pipe had burst. The workers needed to call someone to shut off the water. They came to our house.

"Our house was brand new and very interesting. There was a gap between the top of the cement basement wall and the sill plate. I could see sunlight outside from the dark basement. We had mice.

"Then there was the time that the person who pumped the oil into the holding tank in the basement for our furnace overflowed the tank. What a mess. I was glad to be too young to have to help clean up.

"Then I remember starting 1st grade at Lowell School. Because the construction was moving from Milwaukee Street toward Atwood, there were no thru streets to Atwood. We had to walk over to Milwaukee Street and then up to Lowell Elementary School.

"One time in the winter, enterprising older kids crossed a frozen Starkweather Creek with me in tow and went up Atwood to school. My mother would not allow me to go that way again though.

"Folks were saying that we would be getting a new school just over a bit from our house. All there was there at that time were some small trees at the far end toward Dempsey Road. Before the school was built, we moved to the Truax Apartments."

THE EAST SIDE CLUB has been a part of the community since 1912 when a small group of east side businessmen organized as the "East Side Advancement Association." There is little recorded about their activities prior to 1923, when this group formed the "East Side Building Corporation" and purchased a building known as the Mahan Hotel on Atwood Avenue for \$10,000. Their slogan was, and still is, "The East Side for a Greater Madison." Members have been instrumental in building everything from ball diamonds to better traffic patterns and have served others in their various careers.

When the Mahan Hotel building was becoming too small for the increased membership, the "Building Corporation" purchased the land on which The East Side Club is currently located from Lydia Felly at a cost of \$15,000.

The groundbreaking for the new club house was in the spring of 1954. An open house was held on January 23, 1955. In 1963, an additional piece of land was purchased from the Waltersheit family, which allowed for the expansion of the parking lot and also added a few feet of lake frontage to the size of the property.

In 1923, the first East Side Businessmen's Association Festival was held. Over the years the festival was held at various locations and ran until 1993.

NANCY GATHING, a retired substitute teacher, has lived in the same house on Tulane Avenue for 30 years, raising her family of five children there. She recalls that the Eastmorland neighborhood in 1977 was "affordable for a family with five children" and provided a "large enough house."

Nancy remembers that Rennebohm's, the Wisconsin drugstore once as common as Walgreen's is today, provoked the local joke that the statue on top of the Capitol was Mrs. Rennebohm looking for another corner to put a Rennebohm's on.

THE PINNEY BRANCH LIBRARY, named in honor of Silas U. Pinney, was opened at 205 Cottage Grove Road in 1966. In 1874, Pinney was elected mayor of Madison for the first time. In his inaugural address, he made a suggestion that would bear fruit for many generations of Madison readers. He urged the adoption of a free library ordinance for the city of Madison. In November 1874, this ordinance was enacted by the City Council. It read in part, "there shall be and there is hereby established a Free Public Library and Reading Room for the use of the inhabitants of the city of Madison, to be known as the Madison Free Library."

Experience the difference in being an owner-member!

Now all Wisconsin postal employees and their families and everyone living or working in Dane County can join Post Office Credit Union. BELVA KRAKOW, at the age of 93, is the oldest known living member in the Eastmorland neighborhood.

BARBARA J. BOERKE is one of the last original home owners in the Eastmorland neighborhood, having lived here since December 1954.

DENNIS AND MARY DEMPSEY came from Ireland in 1850 and homesteaded the 160-acre tract prior to 1870. The west boundary of their square of land was Dempsey Road, from a point directly across Dempsey Road from the center of Tulane Avenue, south one-half mile on Dempsey Road to Cottage Grove Road. Here the Dempseys raised their family of nine children. The original home was built of quarry stone, and a two-story frame addition was later added, making it a gracious and substantial home. Later, when Esther Dempsey was the only one remaining on the homestead, and most of the land was sold, she decided to offer the remaining 11-1/2 acres to the Diocese of Madison. Saint Dennis Parish stands on the site today. Ground breaking took place in 1956.

EASTMORLAND SURVEY

The survey was compiled by ECA volunteers, then printed and inserted in the 2004 fourth quarter newsletter "Hi! Neighbor." Residents of ECA returned the survey and the results were tabulated by volunteers and fitted into the following format. ECA volunteers thank the Greenbush neighborhood for sharing their survey, which served as a useful model.

RESULTS

Of the approximately 1,600 surveys delivered with the "Hi! Neighbor" newsletter to neighbors in the Eastmorland neighborhood or dropped off at the Pinney Branch Library, 272 were returned. Twenty were from people outside our neighborhood and were not included in our tabulated results. The return rate was thus about 15%. The survey contains 27 questions in five categories. This report looks at the tabulated results of these questions by category and in order. In addition, some questions were combined for analysis (for example, the gender of a respondent and question of safety). Initially, we also attempted to correlate responses with neighborhood geography, dividing the neighborhood into four sections based on housing style and physical connection or barrier (see ECA map below). While some differences in response occurred, such as on a particular street, we found no differences between areas.

Resident Information

1. On which block do you live? (For example: 3400 block of Dawes St.)

We plotted the results of this question on the ECA Map:

For the most part, all areas of the neighborhood were covered. We did notice that Margaret St., Ring St., Johns St, and parts of Dennett Drive had no responders. It seems that our normal distribution system for delivery of "Hi! Neighbor" (our ECA quarterly) failed us and these few blocks did not receive surveys. We made an effort to get these people copies of the survey after our November 24, 2004, due date but still did not receive any response. You will note that some blocks within our four geographic areas had large survey participation.

- **2.** Do you rent or own your home? Circle one: Own Rent Of our respondents, 97% owned their homes.
- **3. What is your gender? Male Female**More than twice as many females responded than males.
- 4. How many people in your household are in each of the following age groups? (if none, enter a zero) __0-5 years__6-17 years__ 18-24 years__25-44 years__45-55 years__56-69 years__70 and older.

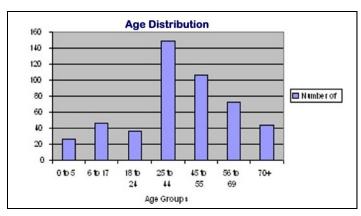

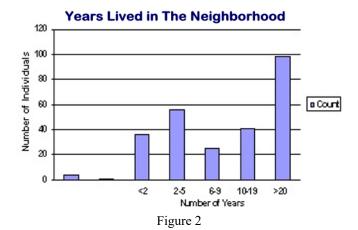

Figure 1

The neighborhood by age distribution seems to be one of young adults and older adults with very few children. This would be typical of a neighborhood in transition with families to be started.

5. How long have you lived at your current residence? Check one.

__Less than 2 years__2-5 years__6-9 years__10-19 years 20 years or more

Many neighbors lived here a long time but there are lots of new residents who have been here less than five years (Fig. 2). This corresponds well with the age distribution in the neighborhood.

6. How long have you lived in the neighborhood? (if different from Question 5.)

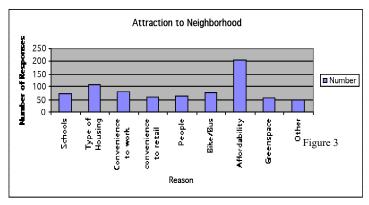

Out of about 80 responses to this question, almost half lived at their current residence for 20 years or more and in the neighborhood 35 years or longer. The longest was 57 years.

7. How would you describe yourself? Check one: ___Retired__Working-in the home__Working-outside the home Student Unemployed

58% of our neighbors work outside the home, 30% are either retired or mostly so and the other 12% are either students, work in the home or are unemployed.

8. What attracted you to this neighborhood? Check as many as apply:

__Elementary/secondary schools __Type of housing __Convenience to work __Convenience to retail __People __Proximity to bike path __Bus Service __Affordability __Green spaces __Other

Most people moved into the neighborhood because it was affordable, type of housing was important to 40% and at least 20% thought each of the other reasons was also important (Fig. 3).

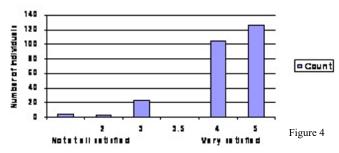

9. How satisfied are you with living in Eastmorland now?

Not at all satisfied

Very satisfied

1 2 3 4 5

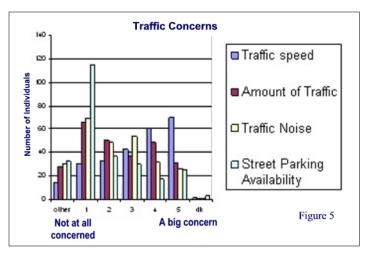

Most neighbors are very satisfied with the neighborhood! (Fig. 4)

Comments for the Resident Information Section: See p. 19

Streets/Parking

1. What traffic concerns, if any, do you have in your part of the neighborhood?

Not at	all	a conc	ern		A big concern
Traffic speed	1	2	3	4	5 don't know
Amount of traffic	1	2	3	4	5 don't know
Traffic noise	1	2	3	4	5 don't know
Street parking available	1	2	3	4	5 don't know
Other (please specify)	1	2	3	4	5 don't know

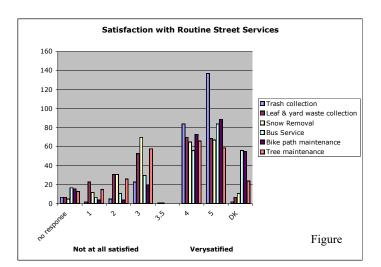

Traffic speed was the biggest concern in the neighborhood while street parking was the least concern (Fig. 5). The variability in response for all questions was large and there were a fair number of other concerns about traffic.

2. What changes, if any, would you make to traffic flow? Why? See page 20.

3. To what extent are you satisfied with routine street services to the neighborhood?

Not at a	ll sa	tisfi	ed	Vei	y sa	tisfied
Trash collection	1	2	3	4	5	don't know
Leaf and yard waste collection	1	2	3	4	5	don't know
Snow removal	1	2	3	4	5	don't know
Bus service	1	2	3	4	5	don't know
Bike path maintenance	1	2	3	4	5	don't know
Tree maintenance	1	2	3	4	5	don't know
Other (please specify)	1	2	3	4	5	don't know

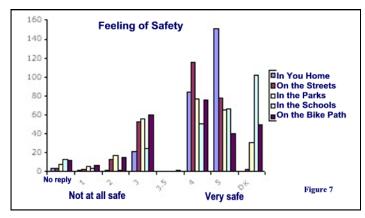

In general, neighbors are satisfied with all the routine street services (Fig. 6). They are most satisfied with trash collection, least with snow removal. Satisfaction with leaf and yard waste is quite variable. 4. What changes, if any, would you make to the routine street services listed above? See page 21.

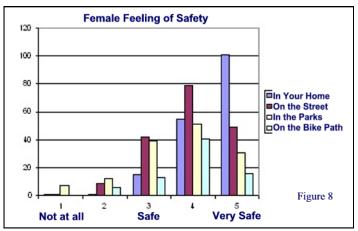

Safety

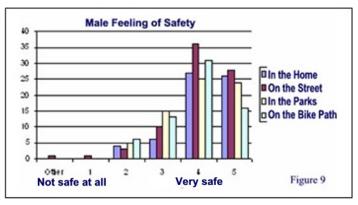

1. Rate how safe you feel in the neighborhood:

Not	safe at	Very safe				
In your home	1	2	3	4	5	
On the streets	1	2	3	4	5	
In the parks	1	2	3	4	5	
In the schools	1	2	3	4	5	
On the bike path	1	2	3	4	5	

In general, people felt fairly safe in the neighborhood. They felt safest at home and least safe on the street. Many had not experienced the schools or bike path and didn't know. The variation of responses for streets, parks and bike path is of some interest. (Fig. 7)

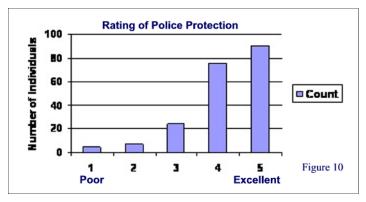

There was little difference in response about feeling of safety in the neighborhood between males and females save one category, the home. (Fig. 8 and Fig. 9). Women felt safer in the home than men did. Although we have our ideas as to why this is the case, we hesitate to speculate here.

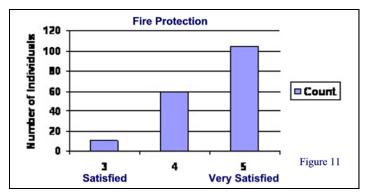

Comments: See page 21.

2. How would you rate police and fire protection?

	Poor				Excelle	ent
Police service	1	2	3	4	5	
Fire service	1	2	3	4	5	

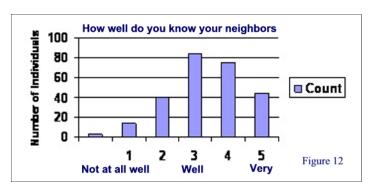

Neighbors were in general pleased with police protection although a small percentage was not. (Fig. 10) In this critical service, the reasons for dissatisfaction may be important.

People were very satisfied with fire protection. (Fig. 11)

3. How well do you know your neighbors?

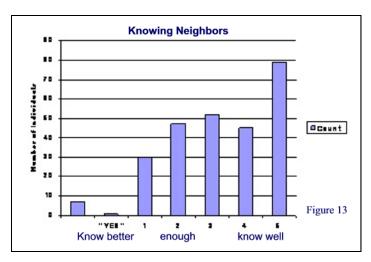

We know our neighbors better than not, but with great variation. (Fig. 12)

4. Do you feel you know your neighbors as well as you would like?

I'd like to know them better I know them well enough 1 2 3 4 5

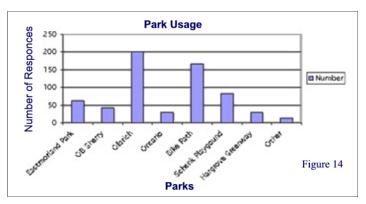

As a whole, we're ambivalent about whether we know our neighbors well enough or would like to know them better. (Fig. 13) The response to questions 3 and 4 together is quite interesting.

5. Comments or concerns about safety in the neighborhood. See page 21.

Parks and Open Spaces

1. Which parks and open spaces, if any, do you use in the neighborhood? Check as many as apply:

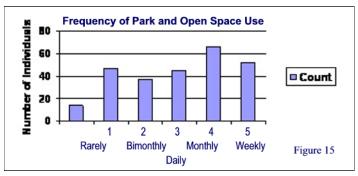

__Eastmorland Park__O.B. Sherry Park__Olbrich Park __Ontario Park__Bike Path__Schenk-Whitehorse playground Hargrove Street greenway Other (please specify)

About 80% of us use Olbrich Park, 64% of us use the bike paths and about 30% of us use the Schenk playground. (Fig. 14) The rest of the space is used but probably mostly by the neighbors who are nearby.

2. How often do you use one or more of the parks and open spaces indicated above? Check one:

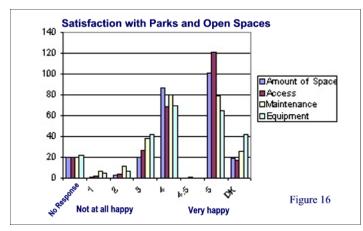

_rarely__6-times a year__monthly__weekly__almost daily

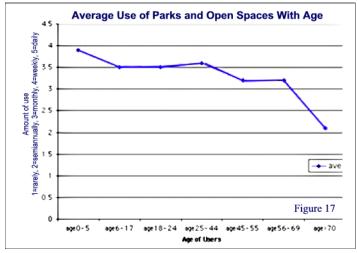

Our frequency of park and open space use is highly variable. A 1/5 of us use these spaces daily, a 1/4 of us use them weekly, and a 1/6 of us rarely use them. (Fig. 15)

- 3. How do you use the parks and open spaces? (For example, athletics, playground, picnics, etc.) See page 21
- 4. How happy are you with parks and open spaces in our neighborhood?

	Not at all ha	рру		Vei	Very happ	
Amount of space	1	2	3	4	5	
Access	1	2	3	4	5	
Maintenance	1	2	3	4	5	
Equipment	1	2	3	4	5	
Other (please specify)	1	2	3	4	5	

We are pleased with our parks and open spaces. (Fig. 16) More pleased, perhaps, with amount of space and access than maintenance and equipment.

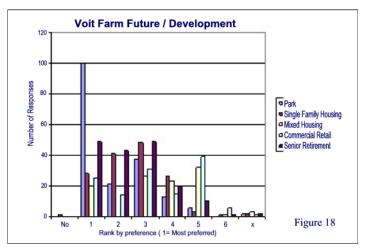

The older members of our community use the parks and open spaces less frequently than younger members. (Fig. 17)

5. What changes or improvements, if any, would you make to our parks and open spaces? See page 21.

Future/Redevelopment

1. If the farm and gravel pit sites on the north side of Milwaukee Street in the Town of Blooming Grove (between Fair Oaks Avenue and Swiss Colony) are developed, what would you like to see included? (rank by preference, 1= most preferred)

__Park __Single family housing __Mixed housing __Commercial retail __Senior retirement __Other (please specify)

40% of us would prefer as a first choice that the Voit Farm becomes a park. Our options are for single family and senior retirement housing followed by mixed housing and commercial retail. (Fig. 18)

Other preferences:

2. If the sites described in the previous question are developed, should the Eastmorland Community Association seek to include the area within its boundaries? Circle One: Yes No Don't Know

50% of us would like to include the area in the ECA, 38% didn't know and 12 % didn't want it included in the ECA.

3. Are there any sites in the neighborhood where you feel it would be appropriate for construction/new development? If so, where? What would you like to see there? (Note: Eastmorland boundaries are Milwaukee Street on the north, Stoughton Road on the east, Cottage Grove Road on the south, Lake Monona and Starkweather Creek on the west)

See Future/Redevelopment comments, page 22.

4. Which developments in the nearby neighborhoods, if any, are you concerned may affect Eastmorland?

Check as many as apply:

 $\begin{tabular}{ll} \hline & Mixed-use \ development \ at \ Milwaukee \ Street \ and \ East \ \hline \hline & Washington \ Avenue \end{tabular}$

__Potential development of farmland across Milwaukee Street

_ Reconstruction of East Washington Avenue

Reconstruction of Highway 51

__ Other (please specify)

71% of us are concerned with Voit Farm development (perhaps by extension the eight adjoining acres), 32% are concerned about the mixed-use development on E. Washington Ave. at Milwaukee St. and 16% about the reconstruction on E. Washington Ave. (Fig.19)

5. Please describe any issues that haven't been raised here that you feel are important.

See General Comments, pages 22-24.

EASTMORLAND NEIGHBORHOOD SURVEY COMMENTS

In addition to rating scales, the survey offered lots of opportunity for residents to comment on specific aspects of their experience living in the neighborhood. The comments reveal how much residents care about the neighborhood, and we appreciate the extra time people took to share their thoughts.

Resident Information Comments

What attracted you to this neighborhood? (Comments for Question 8) In addition to the eight categories listed on the survey, 45 people offered other reasons for being attracted to the neighborhood.

Some respondents cited living in, or near, their family home:

"[It's my] family home. I now live in my family homestead. I have been in this neighborhood for 61 years."

"[My] parents lived in this house."

"My parents bought a house in 1968, [I] didn't move far from home."

"[I] lived [on] Eastside all my life."

Continued on next page

Others mentioned enjoying the general feel and characteristics of the neighborhood:

P 608 249.6951 F 608 249.2235

2021 Winnebago St. Madison, WI 53704

www.thysseprinting.com

"[It] seemed friendly-housed close together."

"yard size"

"trees over streets"

"groomed neighborhood"

"lake"

"[We] always loved the simple quiet neighborhood long before we lived here and [we] like St. Dennis church and [it's] close to Olbrich park."

Availability also arose as an issue:

"Best housing available at the time."

Resident Satisfaction (Comments for Question 9) At the end of the resident information section, 43 people offered additional comments on the following topics:

General friendliness and ambience of the neighborhood (8 comments):

"Great neighbors, great location (easy access, bus, shopping...), low crime."

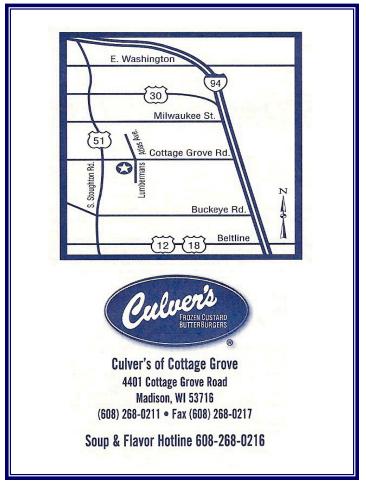

"We have so many friendly neighbors that have been here so long, a lot when their home was built! Newer one[s] are friendly too."

"A good place to live."

Some wrote of convenience:

"[We] love to bike to groceries, post office, bank and library. Plus several parks and playgrounds for our nieces and nephews."

"We are close to the 'cool stuff' on Atwood and Willy St. areas with quiet streets. The Pinney Branch Library is in walking distance. So is Woodmans and the post office...."

Others expressed concern about traffic speed and volume and vandalism incidents:

"I find the overall neighborhood to be great, but traffic on Walter is bad in that people consistently drive over the speed limit." "Speeding is a huge problem on Dempsey!"

"Only concerned with growing youth vandalism and groups of

youth on the street 1 A.M – 4 A.M."

Some offered complaints and hopes, which may prove useful for guiding future development opportunities:

"Railroad noise problems are a major annoyance that detracts from house values. Royster Clark Corporation has improved but easily could improve their status."

"Parks mowed like they used to be (Eastmorland and O.B. Sherry)."

"The neighborhood is starting to deteriorate."

"A little too far from work. Don't like type of housing."

"I wish we had an assisted living complex near here."

Several comments offered an historical perspective on our neighborhood:

"31 years same house. Arlans and CPP warehouse were there at the time, 11/73." "This was the best house we could afford in 11/73... It was close to everything. We could have moved to a bigger house, but that would have meant more taxes. We raised 3 girls and it worked out fine."

"We (my husband and I) bought right after we were married in May of 1951 – It was a new development at the time (part of the Schenk Farm)."

Streets/Parking Comments

Traffic Concerns Maintaining safe traffic speed in a residential neighborhood was the top concern. Certain troublesome spots received numerous mentions (Milwaukee, Walter, and Schenk Streets, for example). Other concerns: auto break-ins or damage, 2-sided street parking narrowing lanes, "no parking" signs not followed or enforced, parked cars blocking driveways, traffic congestion around the schools, highway noise, vehicle engine/stereo noise, street lights needing to allow more time for pedestrians to cross, and dark streets needing lighting.

Traffic Flow Suggested changes to traffic flow focused on traffic calming (speed bumps, traffic islands, permanent "Slow – Children at play" signs, more police patrol, radar speed signs, adding stop and yield signs at uncontrolled intersections, etc.) and traffic diverting, such as "no turn" signs from Milwaukee St. to Schenk St.

Routine Street Services People asked for timely snow removal (especially on side streets), scheduled leaf pick-ups, more frequent street cleaning, more frequent 3 and 38 bus routes, and care in trimming trees. Bike path lighting was appreciated, alt-

hough some people wished for more lights. Several respondents expressed satisfaction with current street services.

Safety Comments

Many people expressed feeling safe during the day, less so at night. Some related incidents of property damage or break-ins; another told of living in the neighborhood for decades without incident. Requests were made for more street lights on very dark streets and visible police patrol. Others asked if Eastmorland has a neighborhood police liaison to answer questions or take note of problems (we do – see page 67).

A representative comment: "I do not care to go out at night but this neighborhood is as safe as any neighborhood and even more so than some."

Parks and Open Spaces Comments

How parks and open spaces are used Answers ran the gamut of recreational and athletic uses. The most frequent were taking children and grandchildren to the park, using play equipment, biking for exercise or enjoyment, biking to work/school, walking, running, walking dogs, soccer, basketball, ball games, Olbrich gardens, picnicking, family gatherings and games. Other mentions: reading, looking at scenery, walking along lakeshore, tennis, volleyball, rollerblading, flying kites, Frisbee, fishing, canoeing, and in snowy months, cross-country skiing and sledding.

Park changes or improvements While some contradictory viewpoints were offered (more parks vs. enough parks; keep open spaces vs. build homes along Hargrove green space for tax revenue), in general, people favored more park equipment and

facilities and better park maintenance and cleanliness. Specific suggestions included:

- end softball games earlier and add minor police presence to discourage drinking
- add community gardens
- keep parks open 24 hours
- mow more frequently
- off-leash or on-leash dog parks (with volunteers to monitor cleanliness)
- proper park funding
- trash emptied more frequently, more trash receptacles
- more pedestrian crossings that work
- cleaner parks, less seaweed, cleaner lakes
- create wild buffer next to creek/remove overgrowth along creek
- more play equipment (plus sandboxes), better maintenance
- cleaner boat launch, better canoe/kayak launches
- more parking at boat landings
- develop park maintenance volunteers
- keep open spaces free of development
- more of a neighborhood watch at night
- more picnic tables (spaced out), benches along Olbrich Park, more bike racks
- lights on tennis court
- enforce no hockey on skating rinks
- more walking paths on lakeside park for strollers or bikes
- trail along Starkweather Creek
- shelter for Olbrich Park, rest room at OB Sherry Park
- make bike path along drainage ditch more attractive to wildlife
- neighborhood-sponsored activities such as kick-ball, more community events

- more flowers and other plantings

Future/Redevelopment Comments

Regarding potential scenarios for future redevelopment, especially along Milwaukee Street, suggestions for desired and undesired types of development were as follows:

Desired development included restaurants (one specified "not fast food"), mixed residential, retail, entertainment (e.g., movie theater), and senior housing. Two mentions of undesirable development were industrial and low-income housing.

In response to whether ECA should consider incorporating the area across Milwaukee St. into Eastmorland, one respondent wrote "unless a more active neighborhood gets involved."

Two residents described their hopes for redevelopment as follows:

"There are some benefits possible with some of the development in either Eastmorland or other nearby neighborhoods, provided that the in-fill is able to incorporate mixed retail and residential options and avoids more industrial options."

"I don't know how feasible this is, but I would love to see some additional dining and entertainment options (i.e. a movie theater) that were within walking distance of the neighborhood."

General Comments *Under the General Comments section, the following topics received repeated mentions:*

Royster Clark for concerns about emissions (odor, health risks, pollution), noise, perceived disregard for neighborhood, and caution against land development because of toxins in the ground.

Kipp for concerns about odor, pollution, and health effects.

Kids' curfew and a suggestion for a neighborhood watch or something to occupy kids.

Railroad for concerns about noise; one comment was against train horns and was concerned about the lift of the train horn ban; another comment was in favor of train horns, presumably for safety reasons.

Streets

- providing crosswalks, especially along Atwood to access Olbrich Park and Beach
- provide stop signs at every corner. Need stop and yield signs on Clover Lane
- first block of Schenk off Milwaukee should be single-side parking
- Anchor Drive east of Dempsey needs street light
- traffic light by East Transfer Point does not leave enough time for elderly/disabled to safely cross

Parks

- improve access to Olbrich Park and Beach
- clean the parks and boat launches
- cut/trim trees along Lake Monona shoreline
- build trails in Olbrich expansion area

Traffic

- -traffic increase with development (particularly along Milwaukee St.)
- need to improve Milwaukee St. and Cottage Grove Road before increasing development
- already too much traffic on Milwaukee
- general increase in traffic citywide is troubling
- -speed on Atwood and speed increase on Milwaukee after Walter
- traffic noise

Schools

- quality
- crosswalk at Schenk and Milwaukee needs sign or light
- keep Schenk School open
- busses too fast on Schenk near school

Hwy 51 (expansion/reconstruction)

- noise
- air pollution
- property values
- American TV buying properties

Greenspace

- need to maintain
- should have neighborhood signs

Neighborhood gatherings

- block parties
- annual neighborhood picnic

Absentee landlords

- upkeep
- tenants fitting in
- American TV buying properties near Hwy 51

Dogs/Cats

- dog waste not picked up
- loose dogs/cats
- need dog park
- dog beach at Olbrich

Property upkeep

- run-down houses
- cars on lawns
- rentals not kept up
- safety concerns
- low income or mixed housing

Single mentions under the General Comments section:

Grafitti – all over, especially along bike path

Light – Dark Sky Ordinance – enforce – e.g. Woodman's

Garage floodlights

Recycling of construction waste

Sidewalk north side of Milwaukee

Bike paths should extend further east

Need affordable housing

Extra power poles in yard

Storage of campers, trailers, boats on street

Pesticide use (shouldn't use)

Swimming pool should be built on east side

Airport noise

Busses - underused - why need East Transfer Point? Why fund empty busses? Drivers paid too much. City employees should get free bus passes

ECA should charge annual fee to residents for the "upkeep, maintenance and security of the neighborhood" Noise from lawn mowers and other machinery Sunday mornings

Alarms at Olbrich

Houses purchased for investment; quick turnover; drives property tax rates up

Use of Silo Co. building

The following overall comments express concern about trends that could adversely affect the neighborhood's appeal, and reflect the wish many residents share to maintain the charms of the Eastmorland neighborhood:

"Seems like the past few years more of the houses sold to absentee landlords, who care only if their tenants meet the rent payment, often these tenants make no effort 'when in Rome' to fit into the neighborhood ethos."

"I think this is an ideal location – schools, shopping, churches, people as a whole take care of their property. But then its all changed when we had to deal with Royster's and the trains that service them – the smell, the noise and their utter disregard for the neighborhood. I can't understand how they can operate as they do."

"I think this is a true gem of a neighborhood and my hope is it will remain so – it is a genuine spot with comfortable housing and people. About the last of its kind in Madison, sadly."

Survey Methods

The general plan of our survey follows that of the one conducted by the Greenbush Neighborhood for their neighborhood plan. They asked questions in seven general categories: Resident information, Streets/Parking,

OASEN PLUMBING

Serving Madison Since 1946

Visit our **KOHLER** Showroom

Featuring

Kohler - Delta - Brizo Insinkerator – Mustee Ruud water heaters and more

3862 Johns Street 222-3656

Safety, Business Development, Institutions in the Neighborhood, Greenspace, and Neighborhood Development. Our neighborhood differs in some respects from Greenbush in that it is primarily residential with no major institutions and a relatively small business district or areas for business development. We did address an additional concern that Greenbush had overlooked: developments external to our neighborhood. This category also included possible inclusion into our neighborhood of adjoining land. We tried to keep the survey relatively short. We wanted to reduce printing costs and to easily include it in our quarterly newsletter, "Hi! Neighbor." In addition, we wanted the survey to be easy to answer and even easier to tabulate and analyze.

The final product was an 8-1/2x17 folded survey which created four pages of questions in five categories. We had nine questions concerning resident information, 13 questions on streets and parking, 10 questions on safety, eight questions on parks and open spaces, and five questions on Future/Redevelopment (including external developments). Most questions could be answered by a simple check off or selection of preference. We included in each section some questions that needed short written responses and at the end of each section, we had a general comments space. When possible, respondents could make additional preferences in an Other category if they thought we had overlooked

249-4333

AWARD WINNING PIZZAS! **NIGHTLY SPECIALS!**

Again, Voted Madison's Best Neighborhood Bar something important to them.

Surveys were sent out in the Fall 2004 issue of "Hi! Neighbor" toward the end of October, given out at Schenk School on Election Day, and placed with a return box at Pinney Branch Library on October 30. Completed survey forms could be mailed to the ECA P.O. Box or deposited at the Pinney Branch Library drop box. Initially, we asked for surveys to be returned by November 24, 2004, but continued to receive them into December. We later noticed that "Hi! Neighbor" had not been delivered to a section of the neighborhood. To accommodate those households, we announced an extension of the deadline to March 1 for additional surveys in the first quarter 2005 "Hi! Neighbor." We also returned the drop box to Pinney Branch Library.

The returned surveys were each given a number and the results for all surveys were entered into an Excel spreadsheet. The spreadsheet listed each survey by number and there was a column devoted to each response. Each response was given a number value or in the case of Don't Know, designated DK. Questions left blank were also noted. Written responses were also entered. In many cases, a new column was added for each of the five general categories in the survey spreadsheet to accommodate these responses. On our spreadsheet, we also included a geographical category in which we assigned a neighborhood section number to each responding household. We had four sections in the neighbor corresponding to natural divisions of the neighborhood (see map). Although we transferred all survey responses to the spreadsheet, only those respondents who actually lived in our neighborhood had their surveys analvzed.

The Excel spreadsheet was then entered into Access, another type of spreadsheet, and analyzed. Where possible, averages and standard deviations were calculated for each numerical answer. (Remember we gave number values to many apparently nonnumerical questions.) In addition, we correlated many responses to geographical section, sex and age. Responses were graphed using the Access gra-

phing function or reentered into Excel and graphed. When possible, multiple responses were graphed together. For example, all quantitative questions concerning streets and parking were grouped and graphed together.

All written responses for each category were gathered together by question or by question and comment. The assembled responses were then correlated, when possible, with the numerical answers or, when more meaningful, looked at separately.

Neighboring Pair of Older Homes Share Features, Builder When you walk into the two oldest homes at the corner of Dennett Drive and Ring Street, the floor plans resemble each other, but in a mirror-image.

3701 Dennett Drive: In 1929, Jess Brown built this cottage-style home—situated on the southeast corner of Dennett Drive and Ring Street—for his family. He and his wife lived their entire lives in this home, which features Jess's craftsmanship in hardwood floors, woodwork and built-ins. The rear half of the long garage served as Jess's workshop. An accomplished carpenter, he created woodwork and cabinets for many other homes that he built in this area.

Mark Johnson and Kris Whitman bought the home in 1987. As the third family to live in this home, they cite the community's cohesive nature and friendly people among the reasons they are

proud to be 20-year Eastmorland residents.

3641 Dennett Drive: Jess Brown also built this 1930 home, which is on the southwest corner of Dennett Drive and Ring Street. Previous neighbors who were familiar with the home's history said the basement hosted a speak-easy during Prohibition. The house includes Jess's quality handiwork in its hardwood features. Todd and Sonja Penner purchased the home in 1990 and have transformed the yard into beautiful flower gardens that complement its enormous trees. They also enjoy the friendliness of the neighborhood.

In this Drescher family photo, taken in the 1950s, Rita Drescher (2nd from left) and neighborhood children of Anchor Drive had fun posing in vintage dress-up clothes.

This is how the house at 3921 Anchor Drive looked in the 1950s. Harold and Lucille Drescher owned the home from 1954 to 1971, raising their family of seven children there. Notice how small the newly planted trees are and the old Chevy parked in their driveway.

BRINGING FRIENDS & NEIGHBORS TOGETHER TO HELP OTHERS & THE COMMUNITY

First Annual Eastmorland Raking Party (Nov. 5, 2005) Nearly 20 volunteers had fun and got to know each other while raking 18 or so yards for neighbors unable to rake. The teamwork paid off. The last yard was raked just before a November downpour. About 65 people attended the potluck afterward.

Nearly 30 people attended the Root Beer Float Social at the Eastmorland Park shelter on June 2, 2007, a nice occasion to get out the lawn chairs as was done for the annual picnics that used to be held at the park. There was enough ice cream and root beer on hand for seconds and thirds.

Group picture of the crew that showed up for the second annual Eastmorland park cleaning to celebrate Earth Day (April 21, 2007).

Good food, good conversation and meeting new neighbors at the potluck held at Schenk School after the April 29, 2006, park cleaning.

The first Eastmorland Community Garden broke ground in spring 2007 at the east corner of Walter and Hargrove Streets. Response has been very positive from neighbors and passers-by. Plans are underway for the 2008 garden.

SPRING 2007 — After lunch conversation at the potluck gathering at Lakeview Moravian Church after park cleaning. Guests look at displays of ECA history in background.

 $\label{eq:Fall-Raking-2006} \textbf{--} \ \ \text{This crew is hard at it and moving right along. Our volunteers raked quite a few lawns that day.}$

SPRING 2007 — Guests dig in at a potluck gathering after the clean up of all Eastmorland parks.

 ${\bf SPRING\ OF\ 2006} \longrightarrow {\bf ECA\ Parks\ Cleanup\ Day}.$ It looks like a good day's work considering the size of those garbage bags!

The second annual Eastmorland raking event, held Nov. 4, 2006, was a terrific success thanks to another great turnout of enthusiastic rakers.

Some of the "elves" who helped prepare the 2006 Annual Christmas Treat Plates (the longest-running E.C.A. program along with Santa visits). Left to right: Jessica Toalino, Estrella Toalino, Bernie Hanson, Carrie Ezzell, and Glennis Whitish.

June 2007 Root Beer Float Social at Eastmorland Park. The grassy area pictured behind the shelter is the future site of new firetruck-themed play equipment. The playground ribbon-cutting and ECA's 50th anniversary party are set for September 2007.

EASTMORLAND PARKS AND GREEN SPACES

Eastmorland is home to many neighborhood parks and green spaces, including one of Madison's gems, Olbrich Park, which is adjacent to the beautiful Olbrich Botanical Gardens and Thai Pavilion. Why not take a stroll or ride your bike to enjoy these fine neighborhood parks, some of which are Eastmorland's best-kept secrets?

EASTMORLAND PARK — 100 Silver Road/3701 Milwaukee Street (located behind Woodman's East, park entrances off of Silver Road and Buckingham Lane). Features: Play equipment, park shelter, bike path, basketball court, ball diamond, shade trees, and soon-to-be-planted wild flowers; site of this year's root beer float social. 7.9 acres.

ONTARIO PARK — 722 Ontario Street (between Anchor Drive and bike path). Features: play equipment, softball diamond. 1.9 acres.

HARGROVE STREET GREEN SPACE — extends from Harding Street to Margaret Street. As of spring 2007, Eastmorland's first community garden is located at the east corner of Walter and Hargrove Streets.

O. B. SHERRY PARK — 22 Leon Street (bounded by Starkweather Creek). Park entrances at Starkweather Drive and Leon Street. Features: play equipment, gazebo, bridge over Starkweather Creek and bike path. 9.8 acres.

O. B. SHERRY PARK — Playground equipment and gazebo, looking toward Leon Street.

O. B. SHERRY'S BIKE TRAIL — Continuing forward on the trail will lead to the bridge that crosses Starkweather Creek.

OLBRICH PARK — View from Atwood Avenue looking toward the Thai Pavilion in the background.

OLBRICH PLAYFIELD — 502 Walter Street. Features: four lighted softball fields, play equipment (partly shaded), basketball court, public restrooms. 18.5 acres.

OLBRICH PARK AND BEACH — 3527 Atwood Avenue (intersection of Atwood and Walter Streets). Features: beach, soccer fields, tennis courts, basketball courts, volleyball nets, boat launch, public restrooms, lakefront, sledding hill in winter, view of Capitol. 26 acres.

HI! NEIGHBOR REVIEW

Listed below are random bits of items and information taken from past issues of ECA's "Hi! Neighbor" newsletter. If anyone is interested, the complete pages of the original copies are available for viewing by contacting one of ECA's current directors.

DECEMBER 1980 —

The Directors of ECA were as follows: Peg Baerwolf, President; Julia Lamp, Vice-President; Mary Williams, Secretary; LaVonne Baggs, Treasurer; Chris Holler, Membership; Beverly Hellenbrand, Social & Recreational Liaison; Joe Turner, Civic Affairs Liaison; Barb Simmons, ECA Liaison to Schenk School; and Martin Damon, Hi Neighbor Distribution.

Card Club In recent times, the ECA Card Club (Euchre and Dirty Clubs) has dwindled in size. If you are interested in joining this club or would like more information, call Marie Van Domelen at 249-4623.

SEPTEMBER 1981 —

Kay Hammerly, senior scout leader, and her senior girl scouts put on their clown make-up and used their slapstick comedy skills to put on a demonstration for 4-H and other youth groups at the Dane County Forum.

FEBRUARY 1982 —

This year we celebrated our 25th Anniversary. We also changed the masthead on our newsletter.

MAY 1982 —

ECA Historical News - Eastmorland is named after the platted land in Section 28 on the northwest side of Madison known as Westmorland. The word "morland" is a combination of more than one idea. When J. C. McKenna, Sr. was making the subdivisions, several other plats had recently been made to the west of Madison, so Mrs.

McKenna said this would be "more land" to be platted. J. C. McKenna, Jr. said that since the land was treeless and rolling it suggested English "moorland." So they combined the two ideas together to come up with "morland." Also, it was euphonious and reminiscent of Westmorland, England.

APRIL 1983 —

The Directors and the Sunshine Chairperson treated the Block Captains to a salad luncheon.

The "Neighborhood Watch Alert" has reported that there is a growing concern in our neighborhood for some of us. There have been several reports of a person or persons annoying people at night by knocking on their windows or doors.

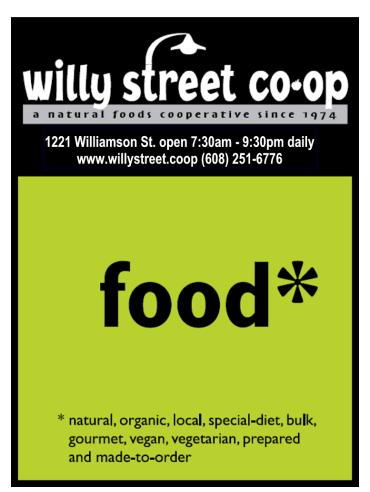

AUGUST 1984 —

Site preparation at the New Quisling Clinic East is underway at 3713 Milwaukee Street. The location is just west of Woodman's.

Everyone is invited to Eastmorland Park on Sunday, August 26 for our annual picnic.

OCTOBER 1984 —

Dempsey Manor, the retired housing development proposed by the Horizon Investment and Development Corporation, has the endorsement of the ECA to move ahead with plans for a two-story, 25-unit

building between Woodman's and St. Matthew's Church.

JUNE 1986 —

The June issue of the "Hi! Neighbor" will reach all of the Eastmorland neighbors. Full coverage (not just paid membership) should provide better service and will aid in increasing our membership. We are mailing our newsletter due to an increase in volume and because of past problems with late deliveries.

AUGUST 1986 —

(FRONT PAGE ARTICLE)

"Brother, can you spare a dime?" It's time to dig deep

into your pockets for some spare change, or better yet, grab that check book and start writing. We need help in defraying the costs of printing and postage. If you have an inside edge on a potential advertiser, please let us know. We are continuing our sponsor's list. Those contributing \$5.00 (current membership dues) toward printing and dissemination costs will have their names printed in the newsletter. Again, we are a non-profit organization, so your contribution is tax deductible. Without contributions, we may be forced to enact some unpopular cost saving measures. Coverage to every house may be dropped, our membership list will be updated and only paid members will receive the newsletter. Another alternative is to publish a bi-monthly newsletter as opposed to a monthly one.

OCTOBER 1986 —

The response to full coverage of the newsletter to all Eastmorland residents was highly favorable, but due to the shortage of funds, a compromise had to be reached. The ECA Directors decide to publish the newsletter bi-monthly, but continue to deliver a copy to all residents.

MARCH/APRIL 1987 —

Directors of ECA: Keith Weiss, President; Kathy Soukup, Vice President; Ada Jones, Treasurer; Virginia Rogers, Secretary; Carrie Ezzell, Membership; Micah Oreido, Co-Editor; Mina Ehly, Co-Editor; Julie Lamp,

Civic Affairs/S&R Committee; Dave Schneider, Civic Affairs; Dan Zimmerman, Distribution.

MAY/JUNE 1987 —

The annual neighborhood picnic and bike parade will both be held on Sunday, June 14th, at Eastmorland Park.

JANUARY 1988 —

The Madison Corporate Center in conjunction with the State Department of Transportation explored the development of a new urban interchange that would benefit the entire neighborhood. The Madison Corporate Center worked with Greiner Engineering Sciences, Inc., a Tampa, Florida-based engineering firm, and committed over \$60,000 of corporate funds to research the urban interchange. The urban interchange, unique in Wisconsin, is an ideal solution for replacing an existing "at-grade' intersection like the one at Highway 51 and Milwaukee Street. (The concept would later be accepted and built.)

APRIL/MAY 1989 —

Michael's Frozen Custard is coming soon to our neighborhood in late April. It will be located at 3826 Atwood Avenue.

SEPTEMBER/OCTOBER 1989 —

The Department of Transportation is proposing putting a road that runs behind Woodman's from Milwaukee Street to Dempsey Road. This would not only wipe out the bike path, but would be a traffic hazard to the children playing in the Eastmorland Park. Fortunately, there was enough opposition in the area to defeat this proposal.

AUGUST/SEPTEMBER 1990 —

Neighborhood crime is on the rise. A number of Eastmorland neighbors have had their car windows broken and car phones and stereos stolen. The vandals have also trashed a number of things.

OCTOBER/NOVEMBER 1990 —

Starkweather Creek gets a second chance. The state Department of Natural Resources has announced plans to clean up our neighborhood's creek. The project, which will take two years to complete, should begin this winter. The plan calls for dredging the badly contaminated sediment and improving the shoreline. There is also a possi-

bility that a small spawning pond will be created where the two branches merge near Sherry Park. The DNR plans to study the fish, sediment and water quality before and after the treatment.

DECEMBER/JANUARY 1990-91 —

ECA finances hit rock bottom. It costs over \$300 to publish the newsletter and have the boy scouts deliver it. After paying for this issue of the paper, our bank balance will be near zero. Advertisements are only covering one third of the cost. Contributions from our neighbors are needed.

ECA needs lots of cookies for Christmas treat visits to special friends in the Eastmorland area.

NOVEMBER/DECEMBER 1991 —

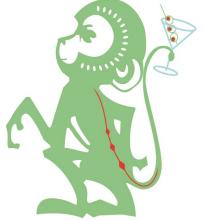

The Madison School Board has decided to change the names of the middle schools that are attached to the elementary schools of the same name. The elementary school will retain its name.

JANUARY/FEBRUARY 1992 —

The Starkweather Creek Dredging and Landscaping project has been delayed yet again! The Army Corp of Engineers has decided that they do have some jurisdiction and that Madison needs to obtain an additional federal permit. This pushes the starting date to June or July. The DNR also recently asked for a few minor changes, including a greater setback for the rearing pond.

Eight names were chosen from a list of about 40 as final-

JANUARY/FEBRUARY 1993 —

A development is being proposed which bounds Atwood Avenue, Walter Street and Johns Street. The plan is to create two-story condominiums along Atwood to Walter Street with the section condos behind being three-story condos. The total number is 40 units (*This plan was defeated by the neighborhood. Olbrich by the Lake Apartments occupies that area today*.)

JUNE/JULY 1993 —

SEVERSIN'S SERVICE CENTER, INC.

3401 MILWAUKEE ST. MADISON, WI 53714

MIKE SEVERSIN, President (608) 241-0303

Lakeview Christian Church

At the corner of Margaret & Busse Streets 2nd block in from Atwood Avenue.

Come join us for fellowship And to worship the Lord.

Services are Saturdays @ 11:00am

www.lcc-madison.org (608)222-4415 Pastor Dwayne S. Watts ECA received information from the Department of Planning and Development regarding the demolishing of Woodman's former Quisling Clinic building to convert the area to additional parking for Woodman's Food Market. This area will tie into the existing lot and provide alignment for store expansion scheduled for late summer.

AUGUST/SEPTEMBER 1993 —

Bruce and Bernie Hanson will welcome ECA members and their families for a picnic on September 19. Bring a main dish with a salad or a main dish and a dessert.

FEBRUARY/MARCH 1995 —

A proposed development along the east side of Royster Avenue by developer Todd McGrath on the land owned by MG&E would be divided into 22 parcels for single family homes on lots that measure 40' x 170'. An alley along the rear lot line would service 2-car, unattached garages. Neighbors were opposed to any development of the parcel, preferring that it stay as it is.

FEBRUARY/MARCH 1996 —

Pinney Branch Library moves from its old location, across Cottage Grove Road, to the former Walgreens store location. The new library has a great deal more space, an expanded children's area and better access for people with disabilities.

AUGUST/SEPTEMBER 1999 —

ECA Historical Trivia

Do you remember.....? Back when our Eastmorland Community Association was new, there was a director who wanted us to have a park. She asked the president of ECA and he told her it could not be done. Even though she was very pregnant, she walked door-to-door getting signatures on a petition for a park. Eastmorland Park was the result of her efforts. Who was/is she? Answer (given in the next edition): Marlene Ballentine.

APRIL/MAY/JUNE 2001 —

The Monona Bootery is a well-known area business that is located in the Lake Edge Shopping Center. Eddie has been selling shoes since he was a high school senior in 1948. Eddie and his wife, Lois, are long-time residents of the Eastmorland neighborhood, having lived on Walter Street since 1958. The Bootery's commitment to children

has always been evident. Indeed, its pedal-driven merry-go-round is an area landmark. It is in a corner of the store, with four different colored horses.

JULY, AUGUST, SEPTEMBER 2001 —

George Karabas passed away. He was a good friend and treasurer of ECA. We will miss him and his witticisms.

JANUARY, FEBRUARY, MARCH 2002 —

Bernie Hanson says "Thank You" to all the elves that helped with the annual Eastmorland Christmas events this year. We couldn't have done it without your help. Cookie plates with home baked cookies, candy and small crafts were fixed for 35 special neighbors. Santa also visited with several children this year.

JULY, AUGUST, SEPTEMBER 2002 —

On June 15th, the Thai Pavilion and Garden at Olbrich Botanical Gardens opened to the public. The pavilion was a gift that was donated to the University of Wisconsin-Madison in appreciation for its acceptance of a large Thai student population over the years. The university decided that the community would be best served by placing the pavilion at Olbrich Gardens.

OCTOBER, NOVEMBER, DECEMBER 2002 —

Madison's Starkweather Creek, which flows into Lake Monona at Olbrich Park, got its name from a man who found the creek to be an obstruction to his swift passage. In 1846, John C. Starkweather, unable to cross the creek when carrying a payroll from Milwaukee to Madison, felled some trees to make a temporary bridge. The creek

has carried his name ever since.

THIRD QUARTER 2004 —

ECA is in the final stages of signing a grant contract with the city. This grant, which is a matching grant funded in part by the city of Madison Neighborhood Leadership/Capacity-Building Program, will enable the neighborhood to do a survey and hold meetings to learn more about what you and other residents value and where you want improvements to occur.

FOURTH QUARTER 2004 —

This issue of the newsletter contained the Eastmorland Neighborhood Survey—Fall 2004.

FIRST QUARTER 2005 —

245-0880

2049 ATWOOD AVE. MADISON, WI 53704

The response rate to the survey topped 15%, which is even higher than we had expected. The results of this survey will be in next quarter's newsletter.

Lakeview Moravian Church, which has been a presence in our neighborhood since 1954, has recently welcomed her seventh pastor. He is the Reverend John McCarthy and he was officially installed on October 31st.

SECOND QUARTER 2005 (MAY) —

Overall satisfaction with life in the neighborhood is high, according to the recent survey conducted by ECA. People identified friendliness of neighbors, convenience of nearby services such as the post office, library, and groceries and easy access to parks and the lake as neighborhood assets. Industrial areas within the neighborhood, the speed and volume of traffic, and the impact of new development topped a diverse list of issues that neighborhood residents would like to see better addressed. These were among the findings from 261 respondents, ranging from newcomers to the neighborhood to people who have spent their whole lives in Eastmorland.

The survey process and an upcoming public meeting May 10 are part of an ongoing effort to identify priority areas in which Eastmorland neighbors can work together to address concerns and build community.

THIRD QUARTER 2005 (AUGUST) —

Nearly 40 residents, from kids to seniors, participated in the well-received, lively public meeting held May 10 at

Olbrich Botanical Gardens. Participants said they like living in Eastmorland for many reasons — especially for the people: interacting with neighbors, solving problems together, watching out for one another. Participants brainstormed activities that the neighborhood could take on and signed up for those they would be willing to work on: fun gatherings (picnics, social events), group activities (park cleaning, planting), and matching people with similar interests (such as a service or item exchange).

Eastmorland now has a website. In addition to the website, Eastmorland has an email list that allows you to stay connected over the Internet. Through the email list, people can send out meeting announcements and discuss issues via email. This can be particularly helpful in working on neighborhood plans and sharing ideas.

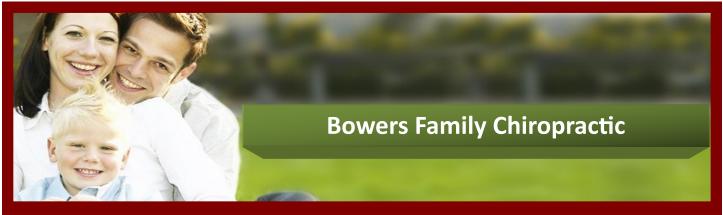

FOURTH QUARTER 2005 —

Eastmorland is holding its first Leaf Raking Party with a Potluck following, November 5th. Eastmorland is inviting EVERYONE to participate in this worthy and gratifying activity.

Oasen Plumbing is having a new building constructed on Johns Street. ECA welcomes the Oasen Plumbers, Jim and Ken, to the neighborhood.

In August, a developer (Yahara Builders) announced plans to build a 17-unit apartment building on the corner of Dennett and Atwood Avenue.

FIRST QUARTER 2006 —

This is your life...Live it well!

The Raking Party was a huge success! With almost 20 raking volunteers, we were able to rake approximately 18 yards last November. After our work was over, we met at Schenk School for a potluck where we had a turnout of around 65 people. Some of the people who were involved were able to meet the people whose yards they raked, which was delightful. A special thanks went to Glass Nickel Pizza for the incredibly generous donation of the pizzas!

SECOND QUARTER 2006 —

For the first time, on Saturday, April 29, volunteers pitched in to clean Eastmorland's parks by picking up trash. This event was followed by a potluck at Schenk School. In two hours, volunteers filled over 10 huge bags of garbage, scouring Olbrich, Ontario, Eastmorland, and O.B. Sherry Parks as well as portions of the bike path.

THIRD QUARTER 2006 —

On May 13, 2006, volunteers formed an Eastmorland Park Playground committee after a presentation by Jim Morgan of the City Parks Department in the Eastmorland shelter behind Woodman's. The committee met in June and the majority favored having a playground next to the shelter and basketball court in the park.

FOURTH QUARTER 2006 —

Committee members are working to bring you a publication celebrating ECA's 50th year as a community association. It will be packed with a lot of useful and interesting information, including a history of Eastmorland and a street directory.

FIRST QUARTER 2007 —

After the morning raking, the new ECA bylaws were voted on and passed at the November Neighborhood Potluck. Over 40 neighbors gathered at the Lakeview Moravian Church. Glass Nickel Pizza generously donated pizzas again for the main dish.

SECOND QUARTER 2007 —

The City of Madison has officially leased land at the intersection of Walter Street and Hargrove Avenue for use as an Eastmorland Neighborhood Community Garden. The garden is for use by the neighbors for the summer.

THIRD QUARTER 2007 —

Eastmorland will celebrate the installation of new play-ground equipment for children 2 to 4 years of age in September at Eastmorland Park. It will also be the occasion of ECA's 50th birthday party. Everyone is invited! Eastmorland held its first Root Beer Float Social at the Eastmorland Park Shelter. There was a gathering of between 20 to 30 people. Another first is a flourishing community garden at the east corner of Hargrove and Walter Streets.

JANUARY 1948 —

Winter scenes in Walterscheit Plat taken near the Nemec home on the corner of Johns and Margaret Streets.

(The photos on these two pages were donated by Eastmorland resident Dolores Nemec.)

Looking toward Margaret Street.

Open area behind Nemec home looking toward the intersection of Sargent and Margaret Streets. Old drainage ditch is at right-hand side of picture. It has a stand of willows along the bank. Some time in 1949 or 1950 the ditch was moved to the railroad track.

Another view along Margaret Street looking toward Atwood Avenue and Lake Monona in the distance.

SPRING 1948 —

Almost every year up until recent times the Walterscheit Plat area had various flooding events in the spring of the year. These pictures were taken in a particularly bad flood in spring 1948 and where the water reached a depth of four feet in the basement of houses that had basements. All views are taken from the corner of Johns and Margaret Streets (Nemec property corner).

A view of Sargent Street houses. Far left is 3629. Across the street from left to right are 3634, 3638, and 3646. The small structure in back of 3629 is a chicken coop. Most of the homes back then had them.

View from back of Nemec home looking toward Margaret Street and Sargent Street (where a couple of houses can be seen in background). House on the left is 3646 Sargent Street, the one in center is 3701 Margaret Street and on the right is 3621 Margaret Street.

View of field from Nemec property toward Sargent Street. Flood still spreading.

SUMMER 1948 —

The City of Madison installed the water and sewer system and began building more permanent streets in the Walterscheit Plat area. The pictures were taken around the Johns and Margaret Streets intersection.

View of future Johns Street looking from Margaret Street toward Cottage Grove Road.

Margaret Street in progress looking toward Atwood Avenue from Johns Street.

View from back of Nemec home looking toward Sargent Street and Dennett Drive intersection. House in center is 3541 Dennett Drive and house to right of center is 3610 Sargent Street.

Pictured above is Lake Edge Boulevard where it intersects with Buckeye Road and Monona Drive. Somewhere beneath this area of the boulevard is where the old water well is located.

MORE INTERESTING FACTS —

The Nemec property which today is located at the corner of Margaret and Johns Streets was purchased in 1935.

Before wells were dug, everyone from the area walked to what is now Lake Edge Boulevard to get their water. Pictured above is where the well is said to be located.

Dennett Drive was called Walterscheit Way, and Sargent Street was called Grandview Avenue.

Children went to Allis School.

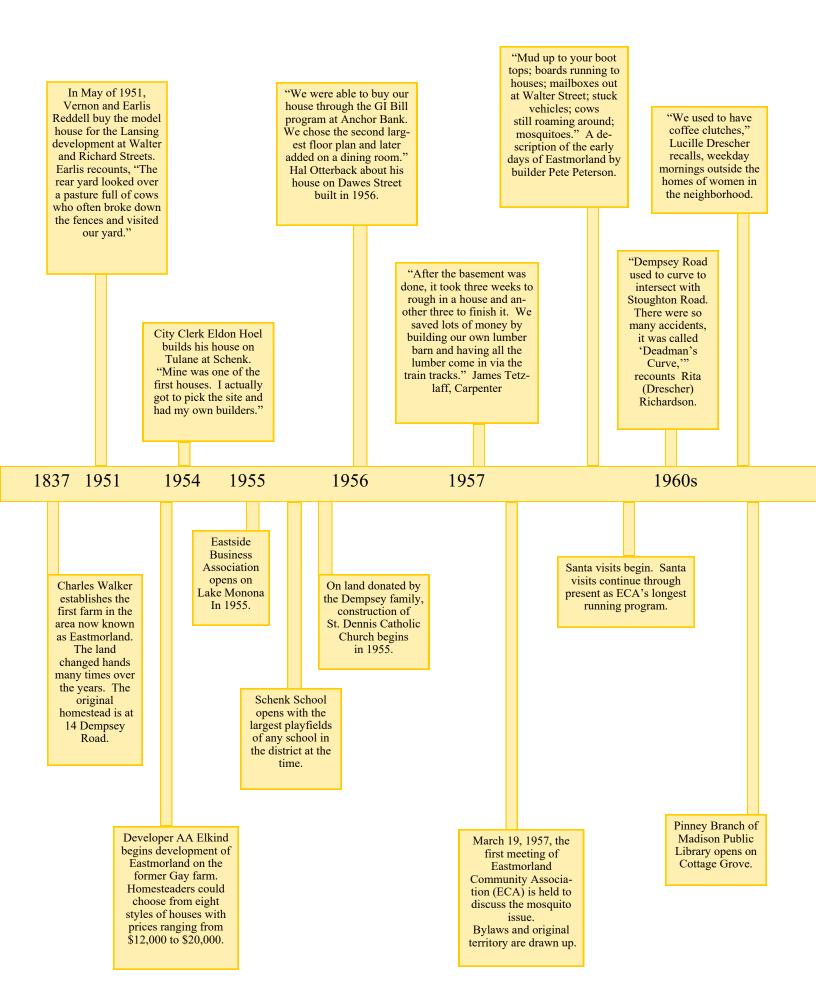

There were many fields, but also a lot of marsh land. Those around Johns and Sargent Streets had to bring in loads of top soil to raise the land enough to build on.

The edge of backyards of houses on Johns and Sargent Streets had drainage ditches running through.

Olbrich Park was a dump.

In 1950, streets were gravel. There was no home postal delivery. Each family had a mailbox on a board at the end of the street. Those on Sargent Street had mailboxes on the corner of Sargent and Dennett.

EASTMORLAND COMMUNITY ASSOCIATION BYLAWS

This is the version of the bylaws adopted on November 4, 2006

I. Purpose

Eastmorland Community Association serves those who live, work and visit the neighborhood. Specifically, the association will:

- 1. Listen to, understand, and, when appropriate, take action on neighborhood concerns and issues.
- 2. Improve our neighborhood and promote community quality and safety.
- 3. Promote citizen participation by communicating with residents and businesses about events and plans that may affect the neighborhood.
- 4. Promote social interaction among neighbors.

II. Membership

The Eastmorland neighborhood is currently the area bounded by Milwaukee Street, Highway 51, Cottage Grove Road, Atwood Avenue and Starkweather Creek (East Branch). These boundaries may be changed in one of two ways: at the initiative of the directors, residents of other areas may be invited to join the neighborhood; or residents of other areas may petition the directors to join the neighborhood. Any boundary change must be presented at an Eastmorland Community Association meeting at least one month before it will be voted on. Written notice must be given before the vote. A quorum is required for the change of boundaries.

Each adult resident of Eastmorland, 18 years of age or older, is considered a voting member of the Eastmorland Community Association. Additionally, non-resident owners of real estate and one appointed representative per business within the Eastmorland boundaries may participate as voting members.

Adult resident households who pay a minimum annual contribution, the amount of which is set by the board of directors at the annual meeting, are considered paid members. Paid members support activities of the Eastmorland Community Association. It will be announced when paid membership is required to participate in a neighborhood event or activity.

III. Board of Directors

The board of directors is responsible for the functioning of Eastmorland Community Association, including all administrative and corporate duties. The board of directors consists of a minimum of four and a maximum of 15 people. Directors commit to attending the Eastmorland Community Association meetings. Directors will be elected at the annual meeting, and a quorum must be present (see article IV, decision making). Between annual meetings, the president may appoint a director if the appointment is confirmed by a majority vote of the board of directors. Directors must be association members who live in the neighborhood. A business owner who does not live in the neighborhood may not be a director. Directors are elected or appointed for two-year terms. There is no limit to the number of consecutive terms a director may serve. A list of directors will be maintained by the secretary and made available to all members.

Officers: Officers are elected from among the directors for a one-year term. Officer elections will take place among the directors after the annual meeting. It is required that there be a president, vice president, secretary, and treasurer.

Committees: Committees will be established by the directors on an as-needed basis, and committee heads will be selected by the committee or appointed by the president, and confirmed by a majority vote of the board of directors. Committee meetings will take place as needed. A list of current committees and committee heads will be kept by the directors and made available to all members. Upon request, committees will report back to the board of directors

Nomination and elections of directors: Elections will take place at the annual meeting (see article IV, decision making). Nominations will be accepted at or prior to the meeting. Candidates may be self-nominated or nominated by another voting member. A current director will serve as a contact person for people considering running.

Checks: All checks issued in the name of the Eastmorland Community Association shall be signed by the president, treasurer or an agent of the association duly appointed for that purpose.

IV. Meetings and Procedures

Eastmorland Community Association meetings: Meetings will take place monthly except for December. These meetings of voting members will occur at a place and time agreed upon by the directors. Written notice will be provided in advance of the meetings.

Annual meeting: An annual general membership meeting will also take place in order to elect directors and discuss issues of concern to the neighborhood. At least one-week notice must be given of the annual meeting.

Special meetings: Special meetings may be requested by any member or group of members and held after approval by the directors.

Decision making: All actions shall be by simple majority of those voting members present at any meeting, unless otherwise required by the bylaws. Presence of 10 voting members, including three directors, will constitute a quorum when a quorum is required. A quorum is required for the election of directors, the passing or amendment of bylaws, amendment of the neighborhood boundaries, and the removal of a director by voting members.

Meeting facilitation: Responsibility for facilitating the meetings may rotate among the directors. The directors will select among themselves who will facilitate each meeting. Meeting agendas will be determined by the board of directors. All members will have the opportunity to add items to the agenda. A list of those present at each meeting will be kept.

Bylaws: A quorum is required for the passing or amendment of bylaws. Proposed changes to the bylaws must be presented in writing at an Eastmorland Community Association meeting at least one month before they will be voted on. Written notice must be given before the vote. Amendments to the bylaws duly adopted by the membership shall become effective immediately.

Removal of directors and officers: Three consecutive absences from monthly meetings or committee meetings without notification shall be deemed a resignation. Additionally, voting members of the association shall have the power to remove any director or officer from his or her position provided that notice is given to all directors in advance. Removal of a director by members requires a quorum to be present, and will take place by majority vote. The directors will provide written notification to the removed director.

V. Dissolution

The board of directors may vote to dissolve this association and, after paying or providing for the payment of all of the association's liabilities, transfer its assets to any successor association that is a non-profit association and whose purposes are consistent with Eastmorland Community Association's purposes.

Bylaws approved by members of the Eastmorland Community Association on November 4, 2006.

– Dane County – Resolution

RESOLUTION 316, 2006-2007

RECOGNIZING THE 50-YEAR ANNIVERSARY OF THE EASTMORLAND COMMUNITY ASSOCIATION

WHEREAS Madison neighborhood association gatherings have become the urban equivalent of the town hall meeting, a place where local residents and business owners can share information about neighborhood happenings, participate in neighborhood-based projects and recreational activities, and work to improve the neighborhood; and

WHEREAS the Eastmorland neighborhood in the City of Madison, bounded by Milwaukee Street on the north, US Highway 51 on the east, Cottage Grove on the south, and Starkweather Creek, Lake Monona and Atwood Avenue on the west, was once productive farmland, and had its origins in 1953 with the construction of 395 residential houses; and

WHEREAS the Eastmorland Community Association (ECA) held its first meeting on March 19, 1957 to address mosquito control issues, and has since devoted considerable resources to improving its neighborhood, including distribution of a quarterly newsletter, publication of a neighborhood directory, organizing block parties, bake sales, and political forums, addressing school concerns and working on neighborhood-based projects; and

WHEREAS the ECA is celebrating its 50th anniversary with a commemorative newsletter and other activities to acknowledge its accomplishments over the past 50 years;

NOW, THEREFORE, BE IT RESOLVED, that the Dane County Board of Supervisors recognizes the Eastmorland Community Association on its 50th anniversary, and

BE IT FURTHER RESOLVED, that a copy of this resolution be presented to Kathy Soukup, current president of the Eastmorland Community Association, as a token of appreciation for the association's efforts over five decades in making the neighborhood, the City of Madison and Dane County a diverse, affordable and friendly place to live.

Scott McDonell, Chair

Dane County Board of Supervisors

Set hugulf

Signed and sealed before me this

5th day of April, 2007

Robert Ohlsen Dane County Clerk

Mayor and Common Council of Madison, Wisconsin

WHEREAS, the City of Madison recognizes neighborhood associations and highly recognizes the contribution of residents and business community activities in making neighborhoods healthy; and

WHEREAS, the Eastmorland Neighborhood, bounded by Milwaukee Street on the north, Highway 51 on the east, Cottage Grove Road on the south, and Starkweather Creek, Lake Monona and Atwood Avenue on the west, was developed in the 1950's; and

WHEREAS, the Eastmorland Community Association (ECA) has made significant contributions to the strength and vitality of the Eastmorland Neighborhood since ECA's inception 50 years ago; and

WHEREAS, the 50th anniversary celebration is an important opportunity to recognize the vital role that the neighborhood association has played in the health, vibrancy, and stability of Eastmorland Neighborhood since April 1957; and

WHEREAS, the ECA has devoted considerable resources to improving its neighborhood, such as conducting surveys of residents, publishing neighborhood directory and newsletters, and working on neighborhood-based projects such as improving Eastmorland and Olbrich Parks, Starkweather Creek parkway, and developing community gardens; and

WHEREAS, the ECA's Commemorative Newsletter Issue will include information on activities of the ECA since its inception 50 years ago; past presidents and directors; current staff and volunteers; and future intentions of the ECA.

NOW, THEREFORE, BE IT RESOLVED that the Common Council recognizes the importance of ECA efforts over the last 50 years in making the neighborhood a place where people of all ages, incomes, and diversity are welcome and the initiatives undertaken by ECA were to the benefits of

present and future generations.

Signed and sealed this 20th day of March 2007 at City Hall

Public Welcome!

clean power for generations to come

Renewable energy has an important and growing role in our energy mix. A new wind farm will expand wind power we provide by four times. Solar power shines bright as we operate and help maintain 17 solar projects. Landfill gas generates enough electricity to power 2,100 homes annually. 100 of our trucks are using biodiesel fuel. And we are partners in the first successful conversion of plant sugars into power. It's all adding up to an increasing supply of clean power for generations to come.

To learn more, visit mge.com/greenpower.
